## X'plain-it

**THE** fast, flexible way to self-author custom tests  
Any Content, Any Language, Any Question, Any Answer

- ◇ When standard question formats are simply not enough
- ◇ When you want to conduct an employee survey
- ◇ When you want a writing sample or a software code sample
- ◇ When you need to test in a foreign language
- ◇ When you want an in-depth answer of any length
- ◇ When you need to craft the question yourself

Easily incorporate text, graphics, audio and video samples, or any combination!

*(technical specifications available on request)*
